

EDUCATIONAL TRIP PROGRAM

For Leadership Training through Auditory and Kinesthetic Learning Styles

Our Leadership Educational Trip Program is a dynamic and integral part of their comprehensive scholarship and bus programs. It aims to provide scholastically inclined individuals with a practicalized medium of learning, going beyond traditional classroom education. The program is designed to foster appreciation, inspiration, motivation, and empowerment among students through meticulously planned educational trips. This initiative comprises of the following:

Thoughtful Trip Design: Carefully curated itineraries include visits to relevant institutions, organizations, and cultural landmarks, offering immersive learning experiences that broaden students' perspectives and nurture curiosity.

Engagement with Leaders: Students directly engage with accomplished professionals in private and public sectors, gaining valuable insights, guidance, and inspiration from role models in their respective fields.

Inspiration and Motivation: Exposing students to success stories and achievements of leaders fuels their motivation, encouraging them to overcome challenges and pursue their dreams.

Student Empowerment: The initiative provides a safe space for students to share suggestions and feedback, ensuring their voices are valued and their educational experiences are tailored to their needs.

Through the Leadership Educational Trip Program, YesLiberia aims to holistically empower students with knowledge, skills, and inspiration, enabling them to become effective leaders and catalysts for positive change in their communities and beyond.
